Subject: National Medical Support Notices Sent to the Defense Manpower Data Center  
Date: May 24, 2007

An E-flash recently issued by the Office of Child Support Enforcement indicates that the Defense Manpower Data Center (DMDC) continues to receive a large number of National Medical Support Notices (NMSN).

This is a reminder of Information provided in CSSIN Letter 06-04, <http://www.childsup.ca.gov/pub/policy/cssin/2006/cssin06-04.pdf>, that directed LCSAs not to send NMSNs to DMDC. Instead, LCSAs can determine whether children are enrolled or eligible to be enrolled in military health care coverage by use of the Federal Case Registry/DMDC match, or through use of a Department of Defense Federal Employer Identification Number on the New Hire Report or Quarterly Wage Report for either the non-custodial parent or custodial party.

If you have any questions or concerns regarding this matter, please contact Michelle Tedrow with the Department of Child Support Services at (916) 464-4875.
